52. ARWENA Wi-An-Wa – o

A well grown 6 m. old bitch, lovely double coat and lots of substance, she is a very happy showgirl, she has a sweet expression and a nice skull, but lacks a correct stop, nice neck, she is very upright in shoulder and upper arm at the moment, she has excellent quarters and the difference between front and rear makes her quite unbalanced at the moment, straight front, nice pasterns and feet, correct ribcage, she needs time to develop and come together, so today I gave her promising, but I think she has a potential.

53. Bombadee BABY MAMA – o

A feminine 6 m. old puppy, she has a sweet head and nice expression, good neck, she has a problem with the growth of front legs and she needs to be careful with her pasterns and feet, nice ribcage, well angulated quarters, she is a very happy showgirl and moves with enthusiasm.

54. DALIA Emerald Garden - nieob.

55. FANTASMAGORIA Adsum - w.o. 2

A nice 7 m. old bitch who will benefit from some more training, feminine outline, sweet head with a nice expression and she has enormous ears, good reach of neck, good forechest and upper arm, straight front, good bone, pasterns and feet, good ribcage, short coupling, good topline and tailset, nice turn of stifles, she is a bit loose on the move, but I think she doesn't know what to do.

56. PALZGRAFIN SOPHIE von Schnellenberg - w.o. 1

A very nice quality 7 m. old bitch in super condition, carrying the correct amount of weight, with good double coat, sweet head, nice reach of neck, nice forehand angulation, straight front, good bone, pasterns and feet, lovely ribcage, excellent topline and tailset, good turn of stifle, deep thighs and hocks well down, she is very responsive to her handler and moves very well for her age. I would like to see slightly more length of leg, but she still has time.

57. SAPHIRA Złoty Aporter - w.o. 4

Very sweet 6 m. old who is just correct in stage of her development, she has a very nice rich gold coat, a sweet head with good chiseling and a kind expression, good neck, balanced angulation front and rear, good length of leg, good pasterns and feet, body correct for her age, nice topline and tailset. She moves well from behind, a little loose in front.

58. VAYA CON DIOS Aglezar FCI - w.o. 3

Very nice quality 6 m. old puppy, she will benefit from some ring training, she is in a good stage of development for her age, lovely balance, a very sweet head with good chiseling, a kind eye and correct earset. She has a good neck, balanced angulation front and rear, good forechest, correct bone. Nice ribcage, topline and tailset. She is very loose on the move and this was made worse because she didn't follow her handler.

### 59. ALISA z Góralskiej – dosk. 3

Well grown 10 m. old bitch, she has a nice balance and is well grown, she is carrying a little bit too much weight and she is a little loose on the move - she is tending to roll. Nice head, good skull and correct earset. Well set neck, good bone, well sprung ribs, level topline and tailset, nice turn of stifle with the good depth of thigh

### 60. ARIADNA STAR Jurajskie Anioły FCI – dosk. 1, ZwMł.

A lovely quality feminine bitch, she has a balanced outline and a lot of maturity for her age, be careful with her weight. Lovely head with good chiseling, nice set of neck, good length of shoulder blades and nice forechest, straight front, nice pasterns and feet, well sprung ribcage and well ????. Nice topline and tailset and correct quarters. A little loose in the front on the move, but drives from behind. Lovely double coat.

### 61. CASSIOPEIA Adsum – bdb

A well-grown 15 m. old bitch who needs more time to develop and come together. I like her length of leg and she has a lovely head with a sweet expression. She has a good neck. At the moment she is lacking forehand angulation. Immature body. Level topline. Nice turn of stifle and good muscular condition. She is moving with enthusiasm and nice tail carriage. I give her VG today, but I think she needs time and she will come together some time.

### 62. DEEPLY MADLY Loyal Gold – dosk. 2

So very together for her 9 m. She has a sweet head with a good skull, excellent pigmentation and correct earset. At the moment her forehand angulation is lacking, but she has a good forechest, strong bone, upright pasterns, cat-like feet. Well sprung, deep ribcage. Nice topline and tailset. She has a nice turn of stifle. She moves quite well from behind, a bit loose in behind (powinno być front)

### 63. E.PIANISSIMA Szczęśliwy Stoń – dosk.

A very strong 12 m. bitch and I'd prefer more femininity in her. She has a clean outline, strong head, she has a nice dark eye, she has a strong neck, I'd prefer more forehand angulation, good bone, pasterns and feet. Strong level topline and tailset. Nice turn of stifles. She doesn't have typical coat - it feels soft. She is not very relaxed today and it affects her performance a little

### 64. FIONA Szczęśliwy Stoń - nieob.

### 65. KAIJA Rozmachany Ogon – dosk.

A very nice 13 m. old bitch who is in correct stage of development at her age. Feminine outline, sweet head and expression, nice chiseling. Good reach of neck, I would prefer a little bit more forehand angulation. Nice bent pasterns and feet. Good length of leg. Level topline and tailset. Nice spring of rib. Well-bent stifles, she was very enthusiastic to move which was very erratic.

### 66. Catequill (FCI) PININFARINA – bdb

A very feminine 13 m. bitch who needs a little bit more time to develop. She has a good length of leg. Nice neck, I would prefer more forehand angulation. Level topline, nice turn of stifles, she moves with enthusiasm, but is quite loose.

### 67. ROXANNE Look of Love – dosk.

A very feminine bitch, who has a very good coat. Nice dark eye, nice bone, good pasterns, level topline and tailset, well sprung rib and nice turn of stifle. She is loose on the move at the moment.

68. TARNINA Wi-An-Wa – dosk.

Clean outline, she has a rather strong head, but has correct stop and earset. Shoulder and upper arm rather upright. She has nice low pasterns and feet. Well sprung ribcage, level topline and correct tailset. She has good hindquarters and she uses them on the move very well and has a good driving action.

69. Tikotta TELL ME QUANDO – dosk. 4

Nice quality 1 y. old bitch, she has a feminine outline, a very thick coat which is rather soft in texture, nice expression, good skull, correct earset. She rather lacks forehand angulation, but has a good forechest, nice bone, good pasterns. Level topline, well-sprung ribcage. Nicely hindquarters which she uses well when she moves and has a good driving action. Well presented and handled.

70. AURORA AUTUMNALIS Adsum – dosk.2

A nice quality 19 m. old bitch, clean outline, feminine, lovely head and expression, nice reach of neck, she has a good forechest and well angulated upper arm, nice bone, pasterns and feet, level topline, correct body for age, well bent stifles, short hocks, lovely personality, very happy on the move, lovely movement in profile with tendency to pin

71. COCO CHANEL Gate of East – dosk. 1, CWC, Najlepsza Głowa w Rasie

A lovely quality 19 m. old bitch, very feminine, love her head, she has good skull, stop and muzzle, lovely size and shape of eye with good dark pigment. Balanced angulation front and rear. Nice forechest, straight front, rather upright in pasterns, well sprung ribcage, be careful with her weight, level topline, good tailset, well made quarters which she uses well on the move.

72. LOLLY POP Bloomingen Gold – dosk. 4

A very sweet 15 m. old bitch, clean balanced outline, well proportioned head with a good stop, correct earset and kind eye, nice reach and set of neck, balanced angulation, straight front, good pasterns and feet, strong level topline, correct tailset, correct depth of rib, nicely made quarters. She is very erratic on the move

73. MALINA Rozmachany Ogon – dosk. 3

A nice quality 2 y. old bitch, she has quite a strong skull, but with good stop, kind eye, well-set neck, good forechest, straight front, correct body for age, level topline, good tailset. She has well angulated quarters and muscled thighs with strong hocks, she uses them well on the move and moves well from all angles. I like her coat texture and quality.

74. MAYA Rozmachany Ogon – dosk.

A well grown 2 y. old bitch who needs a little bit more time to finish her development, she also needs some training to get the best of her movement. Sweet feminine head, she could do with a more defined stop. Good reach of neck, I would prefer a bit more forehand angulation, nice bone, good length of leg, strong level topline. Needs time to develop her body and coat. Nice quarters. I like her head carriage on the move which was very unsettled.

75. RASPBERRY CANDY Anarchia Box FCI – dosk.

A rather strong young bitch, she needs a little time to develop some muscular condition, she's quite loose and rolling on the move. Dense coat, strong head. Nice reach of neck. I would prefer more forehand angulation. She has a good forechest, nice bone, pasterns and cat-like feet. Well sprung ribcage, slightly long in loin, well-made quarters.

76. Trubliss WHOLE LOTTA LOVE – dosk.

A very elegant 20 m. old bitch, just needs a little bit time to mature and is out of coat today. I love her outline and length of leg. Sweet head, good length of good set neck. Good length of shoulder blade and balanced angulation front and rear. Good bone, pasterns and feet. Level topline, well-sprung rib, very erratic on the move.

77. ZALA Adekatos Poland FCI – dosk.

A feminine 22 m. old bitch. Nice dark eye and a sweet expression. I'd prefer more forehand angulation, she has good bone and cat-like feet. Well-sprung ribcage, level topline. Nice turn of stifles. She'd benefit from some additional trimming. She moves well in profile, a little loose in front.

78. Majik ZENA – dosk.

A feminine bitch. She looks a little unbalanced. Sweet head. I'd prefer more forehand angulation. Straight front, good bone, pasterns and feet. Level topline. Nice spring of rib. Well bent stifles. She was very tense when standing and much happier on the move.

79. Majik ZENOBIA – dosk.

Nicely presented young bitch who presented feminine ... ?. Sweet head with a nice dark eye. I'd prefer more forehand angulation, but she has a good forechest. Nice bone, pasterns and feet. Good spring of rib, level topline. Very well-bent stifles with deep thigh which is bordering with overangulation.

Klasa otwarta

80. AQUA Dolina Marcinkowic – bdb

A feminine 2 y. old bitch who unfortunately lacks confidence that I would like to see in a golden and unfortunately shows it in the movement today, as she tends to crouch and crap. She has a very sweet head and nice neck, I'd prefer more forehand angulation. Nice bone, but needs more time to develop substance and is not in full coat today.

81. ARIA Wi-An-Wa – dosk.

She has a very lovely personality, is friendly and happy. At 5 y. she has a lot of maturity, but could do with less weight. Beautiful double coat, sweet head with a good skull and lovely dark eye. Correct earset, strong neck, balanced angulation front and rear. Well-sprung ribcage, level topline. She moves well from behind, but pins in front.

82. AVILYS ILLUMINA Adsum – dosk.

A mature 6 y. old bitch who has good size and substance, nice expression, I'd prefer darker pigmentation, good reach of neck, forehand angulation could be better, good bone, very deep ribcage, level topline, good tailset, well-bent stifle with deep thigh. She moves well in profile, but close in front and behind.

83. BACK TO THE PARADISE Benignitas – dosk.

Very nice quality 3 y. old bitch, balanced outline, nice head and expression, nice bone, pasterns and feet. Level topline and correct tailset. Well-sprung ribs. Be careful with her weight. Nice turn of stifles. She moves with good length of stride.

84. BELLA-ROSA Nasze Złotka Poland FCI – bdb

A mature bitch with a lot of bone and substance, I'd prefer more feminine head and a cleaner neck. She has balanced angulation, good pasterns and feet. Level topline with a well-sprung rib. She has a

lovely double coat. Unfortunately she didn't move well today and she is crabbing, crossing and hopping.

85. BONNIE Aureus Amicus FCI – dosk.

2.5 y. bitch who is correct for her age and just needs a little time to mature. She also needs to be more enthusiastic on the move. I love her outline and the body proportions. She has a nice head with good chiselling and kind dark eye. She has a good neck and a good length of shoulder blade. Straight front, good pasterns, level topline, correct body for her age and nicely made hindquarters. She has a nice quality coat.

86. DUSZKA Adekatos Poland FCI – bdb

Quite a strong and compact young bitch. She is very tense when being stood. Good dark eye, nice stop and correct earset. Excellent bone, good pasterns and feet, level topline, well-sprung ribcage. Well-bent stifles into short hocks. She has a very soft and untypical coat and is quite slack in her back end. She moves ok in profile, but erratic front and rear.

87. Souvenir GLAMOUR CHIC – dosk. 1, CWC

Quite a compact bitch with a lot of bone, substance and coat for her age. However that doesn't distract from her femininity. She has a lovely head with a good skull, correct stop and excellent pigmentation. Good reach of neck, good lay of shoulder, straight front, good bone, pasterns and feet. Deep well-sprung ribcage, well-made hindquarters. Has a good free moving style.

88. Pinkerly HONEY RYDER – dosk.

A very feminine 4.5 y. bitch who has a nice coat and good length of leg. She has a sweet expression, but I'd prefer a better stop and width of the muzzle. Nice reach of neck. Balanced angulation front and rear. Level topline and good tailset. Nice spring of rib. She moves well in profile, but close front and rear.

89. IMPRESJA Wi-An-Wa – dosk.

A very typical bitch who has an excellent coat, sweet head, nice reach of neck. I'd prefer a bit more forehead angulation. Straight front, good bone and pasterns. Level topline, correct tailset. Good spring of rib and a strong loin. Correct hindquarters which she uses well on the move and she moves with reach and drive.

90. Eo Ipso ISLEEN ADSUM – dosk.

A very elegant bitch. I like her outline and length of leg. She has a good skull and a nice eye. Nice reach of neck. Good forechest. Nice pasterns. Her feet a little oval. Level topline, good depth and length of rib. Nicely made hindquarters. She moves well in profile, but pins in front.

91. IVY QUEEN Anarchia Box FCI – dosk.

A mature 4 y. bitch. Has a lovely head with a nice eye and correct earset. Strong neck. Balanced angulation. Good bone, pasterns and cat-like feet. Deep mature body, level topline. She had broad driving movement behind.

92. JOLIE MOME du Bois de la Rayere - nieob.

93. LADY ASAI Hrabstwo Goldenów – dosk.

A very typical feminine bitch. A lovely rich gold coat. Nice head and dark eye. Good reach of neck. Balanced angulation. Nice bone. Needs a little more time to reach maturity. Level topline, correct tailset. Nice turn of stifles. She moves well.

94. LAETITIA Adsum – dosk.

A very happy feminine bitch. Very well made head with a nice dark eye. Nice chiselling and correct earset. Good reach of neck. I'd prefer a bit more forehead angulation. Straight front. Good bone, pasterns and feet. I like her length of leg, deep well-sprung ribcage. Level topline and good tailset. Good turn of stifles. She moves well in profile.

95. LILU Wi-An-Wa – dosk. 2

A very nice quality 2 y. old bitch, nice head and expression. Excellent pigmentation. Nice reach of neck. I'd prefer a bit more forehead angulation, but she has a good forechest. Nice bone, good pasterns and feet, strong level topline. Good spring of rib. Nice turn of stifle. She moves very well with good free flowing stride and single track.

96. PURE PHILIS Village Gate FCI – dosk.

A lovely quality 2 y. old bitch. Very well proportioned head with good dark pigmentation. She has a strong neck, balanced angulation and a good forechest. Nice bone, mature body. You need to watch her weight. Level topline, she moves very well in profile, but pins a little bit in front. She has excellent double coat.

97. QUINTA ESSENTIA Adsum – dosk.

A nice type with an excellent coat. Nice head and expression. I'd prefer a little bit more forehead angulation. Straight front, good bone, a little upright in pasterns. Level topline and correct tailset. Well-sprung deep ribcage and a strong loin. Correctly made quarters. She moves very well.

98. VIS ATTRACTIVA Adsum – dosk.

Feminine outline and excellent length of leg, good dark pigmentation and nicely chiselled. Correct earset, nicely set neck into a long blade. Good bone, pasterns and feet. Nice spring of rib. Level topline. Nicely made hindquarters. Free flowing movement in profile.

99. Trubliss WONDERFUL BEA – dosk. 4

A lovely quality 20 m. bitch. Love her feminine outlook and outline. Nice head, good skull and earset. Nice reach of neck. Balanced angulation. Nice bent pasterns and feet. Strong level topline. Correct tailset. Nice spring of rib and correct substance for age. Nicely made hindquarters. Very happy on the move and has a lovely tail carriage.
